Financial report NEALT 2007

I have inspected the accounts for NEALT for 2007 provided by the Treasurer, Joakim Nivre. The Association had an income of 9160.98 SEK resulting from membership dues for supporting members. This, together with 6 SEK interest resulted in a total income of 9166.98 SEK. The Association's expenses were 486.00 SEK resulting from bank charges on its bank account. This results in a positive balance of 8680.98 SEK to be carried over to 2008. (There was no balance carried over from 2006.)

I propose that the Association's Executive Committee approve these accounts.

Robin Cooper
Auditor
